

## **Government Entity Exceptions Terms and Conditions**

This Annex sets forth certain additional terms and conditions to Cloud Terms (“**Government Entity Exception Terms**”) that shall supersede and govern for certain government entities, as such entities are described below (each a “**Government Entity**”), in connection with their respective use of Cloud Services. These Government Entity Exceptions Terms are part of Cloud Terms, as amended, and all use of the Cloud Services remain subject to Cloud Terms, as amended.

### **1. AMENDED TERMS AND CONDITIONS.**

The following Special Terms apply if a Subscriber is a state or local government entity (“**Special Entity**”) and only to the extent that any offerings provided under Cloud Terms are being used in a Subscriber’s official capacity as a state or local government entity (“**Special Purpose**”). In the event of any conflict or inconsistency between the following Government Entity Exception Terms and Cloud Terms, the following Government Entity Exception Terms shall prevail for the Special Purpose.

- I. Governing law and venue shall be those of the respective state of the Special Entity.
- II. Indemnification terms in Cloud Terms shall not apply to the Special Entity.
- III. Arbitration terms in Cloud Terms shall not apply to the Special Entity.
