

## CHARGEPOINT MASTER SUPPORT SERVICES TERMS AND CONDITIONS

- 1. Description of Support Services.** These ChargePoint Master Support Services Terms and Conditions (“**Agreement**”) governs the provision of Support Services (defined below) by ChargePoint, Inc. (“**ChargePoint**”) to customer (“**Subscriber**” or “**you**” and “**your**”). Each subscription plan for Support Services (“**Subscriptions**”) provides Support Services-related coverage to you for the ChargePoint-covered charging stations and related hardware peripherals (“**Hardware**”) and may include a combination of remote support, parts and labor coverage, as further described in the applicable Support Scope and Terms. Each Subscription is offered by the applicable ChargePoint entity or entities referenced under “Entities” section below and is valid for the listed countries only. The scope of this Agreement is only for Support Services and does not include other services offered by ChargePoint (e.g., ChargePoint Cloud Plans) or products not described in the applicable Support Scope and Terms (e.g. ChargePoint’s Home Flex products or any of its successors). “**Support Services**” shall mean the service(s) provided to you subject to this Agreement and the applicable ChargePoint Support Services Scope and Terms (“**Support Scope and Terms**”) found at [www.chargepoint.com/legal/support-services](http://www.chargepoint.com/legal/support-services). This Agreement and Support Scope and Terms may be amended from time to time by ChargePoint.
- 2. Subscriptions.**

  - 2.1 Service Term and Renewal.** Each Subscription that you purchase will commence ninety (90) days after the invoice date of such Subscription and will continue for the term purchased via the applicable invoice or purchase order (“**Service Term**”). ChargePoint will send you an invoice for your Subscription on or after the date the applicable Hardware is shipped to you. Upon expiration of your initial Service Term, your Subscription will renew automatically for successive one-year periods until the end of the useful life of the applicable Hardware or determined by ChargePoint at its sole discretion (each a “**Renewal Term**”). Renewal Terms will commence on the date of the expiration of the initial Service Term or prior Renewal Term, as applicable
  - 2.2 Transfer.** If you sell or divest yourself of the applicable Hardware and wish to transfer or otherwise assign in any manner the applicable Subscription to a third party, then you must provide 60 days prior written notice to ChargePoint of such sale or divestiture of Hardware. Failure to provide such prior notice will void the applicable Subscription for any successor third party.
  - 2.3 Commencement.** Your Hardware will be covered by the applicable Subscription starting after the Hardware has been activated (subject to the applicable requirements of ChargePoint) and until the end of the Service Term. Note that certain Hardware and corresponding Subscriptions may require you to fulfill certain activation obligations prior to the commencement of the applicable Support Services (for more details see the Installation, Commissioning and Activation Scope and Terms located at [www.chargepoint.com/legal/deployment-consulting-services](http://www.chargepoint.com/legal/deployment-consulting-services)) (“**Deployment and Consulting Scope and Terms**”).
  - 2.4 Term and Termination.** This Agreement and applicable Support Scope and Terms shall remain in full force and effect until completion of Service Term or Renewal Term, subject to earlier termination as set forth below. Either party may terminate this Agreement if the other party is in material breach of any of its obligations under this Agreement (which shall include without limitation any nonpayment by customer of fees due for Services) and has not cured such breach within thirty (30) days of the date of its receipt of written notice thereof. Either party may terminate this Agreement immediately upon

written notice if any assignment is made of the other party's business for the benefit of creditors, or if a petition in bankruptcy is filed by or against the other party and has not been dismissed within 60 days of such filing. ChargePoint may terminate this Agreement upon written notice if any law or regulation prevents or materially impedes the performance of Support Services. All sections of this Agreement which by their nature should survive termination and/or expiration of this Agreement shall survive such termination and/or expiration.

If you exercise the termination rights described in this section, then you acknowledge and agree (a) you will be required to pay ChargePoint the full balance of fees you owe for the then-current Subscription; and (b) if you prepaid for the then-current Subscription, then you are not entitled to, and ChargePoint is not obligated to provide you in any manner, a refund of such prepayment. If you wish to terminate your Subscription pursuant to this section, ChargePoint will issue a pro-rata refund of any funds paid from the effective date of termination to the end of the applicable Service Term or Renewal Term. For termination for any other reason, you will not be entitled to any refund.

**2.5 Reinstatement Fee.** If you terminate the applicable Subscription during a Renewal Term and wish to reinstate such Subscription at a later date, such reinstatement will be subject to the payment of fees for the time period that lapses after such termination and prior to the reinstatement, including, without limitation, any reasonable reinstatement fees charged by ChargePoint and written documentation substantiating that there are no outstanding repair or defect issues with the applicable Hardware.

**2.6 Payment.** Payment for Subscriptions is due within thirty (30) days of the invoice date. Late payments shall be subject to a €40 (or equivalent in your local currency) fixed sum as minimum compensation for recovery costs in addition to attorneys' fees and other expenses reasonably incurred by ChargePoint in the collection of any late payments. The applicable interest rate for late payment is (a) the total of i) the reference rate of the European central bank (or the reference rate of the national central bank for states whose currency is not EUR) and ii) at least 8 percentage points, or (b) the maximum rate permitted by law. If any amount is more than thirty (30) days overdue, ChargePoint may (a) terminate the applicable Subscription or (b) withhold Subscription coverage until ChargePoint has received payment in full. You may not offset any amounts due to ChargePoint hereunder against amounts due to you under this Agreement and/or Support Scope and Terms. Fees payable to ChargePoint do not include any taxes, and you are responsible for all such taxes.

**2.7 Purchase after Activation.** If you wish to purchase a Subscription after the activation of the applicable Hardware, then you will need to provide ChargePoint written documentation substantiating that there are no outstanding repair or defect issues with such Hardware. Approval of the activation of Subscription, as described in this section, will be at ChargePoint's sole discretion.

**2.8 Relocation of Hardware.** Any relocation of Hardware from its original installation location (including, without limitation, to any approved transfer pursuant to Section 2.2) will require (a) re-Activation (as further described in the Deployment and Consulting Scope and Terms); and (b) re-Commissioning (as further described in separate the Deployment and Consulting Scope and Terms) if Hardware is a DC charging station.

**2.9 Maximum Service Term.** ChargePoint will not sell or make available Subscriptions beyond the useful life of the applicable Hardware, i.e., 10 years after its initial activation. 9.4.1 ChargePoint shall be liable in accordance with the applicable statutory provisions (whether in contract, tort or otherwise) for damages suffered by ChargePoint that: (i) have been caused as a result of ChargePoint, its legal representatives, its agents or auxiliaries having acted, or having failed to act where there was a duty for ChargePoint to act, in gross negligence or with wilful or malicious intent; (ii) have occurred as a result of a breach of a guarantee (the term "guarantee" in accordance with the applicable statutory meaning); (iii) that are a result of a culpably caused injury to life, limb or health; and/or (iv) that are subject to product liability under the German Product Liability Act.

9.4.2 In cases of negligence other than gross negligence, ChargePoint shall only be liable for damages that result from breaches of material contractual obligations (whether in contract, tort or otherwise). 9.4.4 Any liability other or beyond the liability provided in 9.4.1 – 9.4.3 is excluded.

9.4.5 Damage claims, irrespective of their legal origin and nature (contract, tort or other), shall fall under the statute of limitations one year after the end of the calendar year during which the claims came into existence and Subscriber knew or should have reasonably known the factual circumstances that gave rise to the claim. The foregoing sentence shall, however, not apply where the damage has been caused by, or has not been remedied with or because of, ChargePoint's willful intent, where ChargePoint had maliciously concealed a defect in the Products, in cases of injuries to life, limb or health, and/or where the corresponding claims result from the German Product Liability Act.
