

See Where Our Express Charging Corridors Can Take You

The Express Charging Corridor locations listed here are a collaboration between BMW, Volkswagen and ChargePoint, completed in summer 2016. Use the ChargePoint mobile app to find these and other DC fast charging spots on your road trip route or anywhere else you need to go. Visit chargepoint.com/drivers/express to learn more about the Corridors.

*J1772 connectors are used for Level 2 charging, which charges more slowly than DC fast. All locations with J1772 connectors also have DC fast as an option, so you can pick the charging speed that makes sense for how long you plan to stop (if less than an hour, use DC fast, but if you'll be stopping for a few hours or overnight, consider Level 2).

**There are multiple DC fast charging stations at this location.
